

BUSINESS POD

YEARLY

Built to offer expertise and support Entrepreneurs and Small Businesses in the region.

EXPERIENCE

Offering a variety of valuable resources to existing business owners, brand new start-ups, and even those who have an idea and want to start a business, the creation and implementation of Business Pathways to Opportunity and Development (POD) provides our region with the tools they need for success. From the fundamental building blocks of business creation to the unique understanding of a thriving organization, this program will shape and create the professional leaders of the future.

AUDIENCE

A unique opportunity to target new and existing businesses, and to bring awareness to your efforts, dedication, and assistance guiding the next generation of business owners.
